Isolated, Tunable Soft X-ray Attosecond Pulses at μJ Pulse Energy from a Free-electron Laser

Monday 1 July 2019 17:30 (15 minutes)

We report the generation of isolated soft X-ray attosecond pulses with pulse energies of tens of microjoules using an X-ray free-electron laser.

Authors: Dr DRIVER, Taran (Stanford PULSE Institute, SLAC National Accelerator Laboratory); Dr DURIS, Joe (SLAC National Accelerator Laboratory); Ms LI, Siqi (SLAC National Accelerator Laboratory, Stanford University); CHAMPENOIS, Elio (SLAC National Accelerator Laboratory); Mr ROSENBERGER, Philipp (Ludwig-Maximilians-Universität Munich); Prof. BUCKSBAUM, Philip H. (Stanford PULSE Institute, Stanford University); Dr COFFEE, Ryan (SLAC National Accelerator Laboratory); Dr GATTON, Averell (SLAC National Accelerator Laboratory); Dr HARTMANN, Gregor (Institut für Physik und CINSaT, Universität Kassel); HELML, Wolfram (Technische Universität München); Prof. HUANG, Zhirong (SLAC National Accelerator Laboratory); Mr KNURR, Jonas (Stanford PULSE Institute, SLAC National Accelerator Laboratory); Prof. KLING, Matthias (Max Planck Institute of Quantum Optics); Dr LUTMAN, Alberto A. (SLAC National Accelerator Laboratory); Dr LIN, Ming-Fu (SLAC National Accelerator Laboratory); Dr MACARTHUR, James P. (SLAC National Accelerator Laboratory, Stanford University); Ms NANTEL, Megan (SLAC National Accelerator Laboratory, Stanford University); Dr NATAN, Adi (Stanford PULSE Institute, SLAC National Accelerator Laboratory); Mr O'NEAL, Jordan T. (Stanford PULSE Institute, Stanford University); Dr SHIVARAM, Niranjana H. (SLAC National Accelerator Laboratory); Dr WALTER, Peter (SLAC National Accelerator Laboratory); Dr WOLF, Thomas J. A. (Stanford PULSE Institute, SLAC National Accelerator Laboratory); Dr ZHANG, Zhen (SLAC National Accelerator Laboratory); Dr ZHOLENTS, Alexander (Argonne National Laboratory); Dr CRYAN, James (Stanford PULSE Institute, SLAC National Accelerator Laboratory); Dr MARINELLI, Agostino (SLAC National Accelerator Laboratory)

Presenter: Dr DRIVER, Taran (Stanford PULSE Institute, SLAC National Accelerator Laboratory)

Session Classification: Isolated attosecond pulse generation and control
