## Two-colour Interferometer for Field Synthesis and Attosecond Streaking

*Monday 1 July 2019 18:15 (2 hours)*

We present a two-colour femtosecond field synthesiser deployed in attosecond streaking measurements at surfaces.

**Authors:** Mr WEAVER, Bruce (Imperial College London); Mr GREENING, Daniel (Imperial College London); Mr PETTIPHER, Allan (Imperial College London); Dr WALKE, Daniel (Imperial College London); Dr LARSEN, Esben (Imperial College London); MARANGOS, Jon (Imperial College London); Prof. TISCH, John (Imperial College London)

**Presenter:** Mr WEAVER, Bruce (Imperial College London)

**Session Classification:** Poster session 1
