## Holographic Schwinger Effect of Dynamic Fields

*Monday 1 July 2019 18:15 (2 hours)*

At strong coupling, the scalar Schwinger effect is studied by the field-theoretic method of worldline instantons for dynamic fields of single-pulse and sinusoidal types.

**Authors:** Dr LAN, Chen (ELI-ALPS, ELI-HU Non-Profit Ltd.); Mr WANG, Yi-Fan (Universität zu Köln); Dr GENG, Huifang (ELI-ALPS, ELI-HU Non-Profit Ltd.); Prof. ANDREEV, Alexander (Saint-Petersburg State University)

**Presenter:** Dr LAN, Chen (ELI-ALPS, ELI-HU Non-Profit Ltd.)

**Session Classification:** Poster session 1
