## Progresses in Building a Femtosecond Extreme-ultraviolet (XUV) Comb at WIPM

*Monday 1 July 2019 18:15 (2 hours)*

In this work, we report on the recent progresses in building an XUV comb at Wuhan Institute of Physics and Mathematics (WIPM).

**Authors:** Dr HUA, Linqiang (Institute of Physics and Mathematics, Chinese Academy of Sciences); Mr ZHANG, Jin (Institute of Physics and Mathematics, Chinese Academy of Sciences); Mr CHEN, Zhong (Institute of Physics and Mathematics, Chinese Academy of Sciences); Dr LIU, Xiaojun (Institute of Physics and Mathematics, Chinese Academy of Sciences)

**Presenter:** Dr HUA, Linqiang (Institute of Physics and Mathematics, Chinese Academy of Sciences)

**Session Classification:** Poster session 1
