Temporal Characterization of FEL-driven Attosecond Pulses

Tuesday 2 July 2019 10:45 (30 minutes)

We will present the first temporal characterisation of reproducible attosecond pulses generated by a Free Electron Laser.

Author: Prof. SANSONE, Giuseppe (Albert-Ludwigs-University Freiburg)

Presenter: Prof. SANSONE, Giuseppe (Albert-Ludwigs-University Freiburg)

Session Classification: New installations and next generation drivers for ultrashort XUV radiation
