## Tuesday 2 July

08:30

### High-harmonic generation in solids and liquids: #4

**Session** | **Location:** University of Szeged Congress Centre, Ady Square 10., 6722 Szeged, Hungary

08:30–09:00

#### Fundamentals of High-harmonics from Solids

**Speaker**

Dr Shambhu Ghimire

09:00–09:30

#### Terahertz Lightwave Control of Solids and Single Molecules

**Speaker**

Prof. Rupert Huber

09:30–09:45

#### Generation of EUV Pulses from Liquid Sheets

**Speakers**

Mr Sebastian Jarosch, Mr Jonathan C. T. Barnard, Mrs Mary R. Matthew

09:45–10:00

#### Mapping Electric Fields with Solid-state High Harmonic Generation

**Speaker**

Dr Marco Taucer

10:00–10:15

#### Ionization-driven Harmonic Generation in Solids

**Speaker**

Dr Anton Husakou

10:15
